

Night Grader Operators

Gerald Traa (no snowplowing experience)

Andrea Neiser (Fuz) (no snowplowing experience)

Derwin Stevenson (possesses certificate only no hours in the grader)

Darrick Spence (Possesses certificate only no hours in the grader)

My proposal is to bring Gerald and Anrea in for a day shift while my guys are here then they can get used to the machine and learn how to read our maps before I send them out to do a 12-hour night shift in -40.
